

## General Agreement on Trade in Services. (e) UNDERSTANDING ON COMMITMENTS IN FINANCIAL SERVICES

Participants in the Uruguay Round have been enabled to take on specific commitments with respect to Financial Services under the General Agreement on Trade in Services on the basis of an alternative approach to that covered by the provisions of Part III of the Agreement. It was agreed that this approach could be applied subject to the following understanding.

- it does not conflict with the provisions of the Agreement;
- it does not prejudice the right of any Member to schedule its specific commitments in accordance with the approach under Part III of the Agreement;
- resulting specific commitments shall apply on a most-favoured-nation basis;
- no presumption has been created as to the degree of liberalization to which a Member is committing itself under the Agreement.

Interested Members, on the basis of negotiations, and subject to conditions and qualifications where specified, have inscribed in their schedule specific commitments conforming to the approach set out below.
